# FOREWORD

Since 1884 Shorthorns have been bred consistently at Green Grove Farm. We have always tried to keep improving our herd and keep it up to date by buying top females and using the best bulls available.

A few years ago we took our best cow to the O. A. C. at Guelph and bred her to Millhills Ransom, and thus secured Green Grove Ransom, who has proven to be one of the best breeding bulls in Canada.

This breeding ability did not come by accident, as all the ancestors of Green Grove Ransom had enviable show records. The mother was out of a cow that was shown six years in succession, winning many first and second prizes, and her sire was out of a daughter of Browndale and sired by a bull that was out of a daughter of Browndale and sired by a son of Browndale. He was also a show bull, winning first and Reserve Championship at Toronto and Grand Champion at Ottawa.

A few months ago we purchased Klaymor Florist, sired by Klaymor Direct and out of Cluny Hilda Clipper 8th, to use on some of our heifers and assist our Ransom bull. He is a proven sire, as we saw his calves before we bought him and were greatly impressed by the type and colours of them.

We have also been breeding a few of our best heifers artificially to Uppermill Royal (Imp.), the new \$18,600 bull at the O. A. C., and also to Millhills Bridal Archer (Imp.).

We are justly proud of these cattle and trust they will be as useful to their new owners as they have been to us

We regret that circumstances over which we have no control make this dispersion necessary.

## General Information

**TIME**—This Dispersal Sale will be held WEDNESDAY, OCT. 3rd, 1945, starting at 1 p.m. sharp.

**LOCATION**—The Sale will be held in the Arena at the Guelph Winter Fair Building, Guelph, Ont.

**HEALTH**—The herd is fully accredited for Tuberculosis and has been ten years without a reactor, and all cattle have been tested for Bang's disease recently and all are negative.

**GUARANTEE**—Every animal in the herd is healthy, the pedigrees are correct, and those females that do not have calves at foot are well along in calf. ## PROVEN LINEAGE

Sire of **GREEN GROVE RANSOM**

**MILLHILLS RANSOM** (imp), the 1936 Perth Supreme Champion, purchased for the Ontario Agricultural College for \$15,000. He was bred at Millhills, Scotland, from which herd have come many of the leading sires in the Argentina and Australia. Millhills Ransom proved himself one of the breed's greatest sires of all times. Wherever the name Ransom appears it is synonymous with quality; breeders from the largest to the smallest recognize the prestige in the name Ransom. Millhills Ransom is the sire of Green Grove Ransom, the sire of most of the young stock in this sale.

**COLLYNIE MANDATE** 262801, the sire of Millhills Ransom. Collynie Mandate was exported to the Argentina, where he sold for 4000 pounds. He is also the sire of Sittyton Choice Baron, Supreme Champion at Palermo 1943. Collynie Mandate is regarded as one of the top breeding bulls in the Argentina.

## LOT 1

The get of Green Grove Ransom possesses all the attributes essential to consistent breed improvement; a careful inspection of his get offered in this sale will bear out this claim. He has been justly rated as one of the best sons of the Perth Supreme Champion, Millhills Ransom (imp), which was brought to Canada at a purchase cost of \$15,000.00.

He is still active and sure and should have many years of usefulness ahead. Study his pedigree and it will be noted that his lineage is as good as his conformation. He is truly a sire that can go anywhere.
